

Northstar University

Student Handbook 2026

A fictional, text-based handbook created for learning and testing Retrieval-Augmented Generation (RAG).

Purpose	Use this PDF to test document extraction, chunking, semantic search, answer generation, and source citations.
Academic year	Fall 2026 admissions and student services.
Important	All university names, policies, dates, fees, and contact details in this document are fictional.

1. Admissions and Important Dates

Applications for Fall 2026 open on August 1, 2026. The final date for submitting the online admission application is September 30, 2026 at 11:59 PM Pakistan Standard Time. Applications submitted after the deadline are not considered unless the Admissions Office announces an official extension.

Admission schedule

- Online applications open on August 1, 2026.
- The application deadline is September 30, 2026.
- The undergraduate entry test is held on October 12, 2026.
- Admission decisions are emailed by October 20, 2026.
- Accepted students must deposit their admission fee by October 27, 2026.
- Orientation takes place on November 16, 2026, and classes begin on November 18, 2026.

Required application documents

Applicants must upload a national identity document or B-Form, a recent passport-size photograph, secondary and higher-secondary transcripts, and any required equivalence certificate. Applicants awaiting final results may upload a provisional result card, but they must provide the final transcript before enrollment. Files must be submitted as clear PDF or JPEG documents, and each file must be smaller than 5 MB.

Eligibility

Undergraduate applicants must have completed twelve years of education with at least 50 percent marks. Computing applicants must have studied mathematics at higher-secondary level. Candidates without higher-secondary mathematics may be admitted conditionally and must complete a six-credit mathematics deficiency course during their first year.

Admissions help

Email admissions@northstar-example.edu or call +92 51 555 0101 between 9:00 AM and 5:00 PM on weekdays.

2. Academic Programs and Policies

Undergraduate programs

The Bachelor of Science in Computer Science and Bachelor of Science in Artificial Intelligence are four-year programs consisting of eight regular semesters. Each program requires approximately 130 credit hours. Core subjects include programming, data structures, databases, operating systems, software engineering, machine learning, probability, and professional ethics.

The Bachelor of Business Analytics is also a four-year program. It combines statistics, business intelligence, accounting, data visualization, and decision science. Students complete an industry project in their final year.

Graduate program

The Master of Science in Data Science is a two-year program requiring 30 credit hours. Students may select a thesis track or a coursework track. Thesis students complete 24 credit hours of coursework and a six-credit thesis. Coursework students complete 30 credit hours and a capstone project.

Attendance and assessment

- Students must maintain at least 75 percent attendance in every course.
- A student below the attendance requirement may be barred from the final examination.
- A minimum CGPA of 2.00 is required for undergraduate graduation.
- A minimum CGPA of 2.50 is required for graduate continuation.
- Plagiarism and unauthorized use of another student's work are academic misconduct.

Course registration

Students register for courses through the online portal before each semester. A prerequisite course must be passed before registering for its dependent course. Students with a CGPA below 2.00 are placed on academic warning and may be restricted to repeating failed or low-grade courses.

3. Fees, Payments, and Scholarships

Fee structure

- The non-refundable application processing fee is PKR 2,500.
- Undergraduate tuition is PKR 145,000 per semester.
- The computing laboratory fee is PKR 15,000 per semester.
- A refundable security deposit of PKR 20,000 is charged at initial enrollment.
- The student activity fee is PKR 5,000 per semester.

Payment procedure

Fees may be paid through the designated university bank account, the online payment gateway, or a bank-generated fee challan. After payment, students must upload a readable receipt to the student portal. The Finance Office normally verifies online receipts within two working days. A student's registration remains pending until payment is verified.

Installments and late fees

Students facing financial difficulty may request two installments before the payment deadline. The first installment must cover at least 60 percent of the semester dues. A late fee of PKR 500 per working day applies after the due date, up to a maximum late charge of PKR 10,000.

Scholarships

Merit scholarships provide tuition reductions of 25 percent, 50 percent, or 100 percent. New students are considered using their admission merit score. Continuing students are reviewed after every two semesters. A full tuition scholarship normally requires a CGPA of at least 3.80 and no disciplinary action. Need-based aid requires a separate financial assessment and supporting household-income documents.

Finance help

Email finance@northstar-example.edu and include the student application number in the subject line.

4. Hostel, Transport, and Campus Services

Hostel accommodation

Hostel accommodation is available in limited numbers for students coming from outside the city. Students can apply only after receiving an admission offer. Priority is given to students whose permanent residence is more than 100 kilometers from campus. Hostel allocation is not guaranteed by admission.

- The hostel fee is PKR 35,000 per semester, excluding meals.
- A refundable hostel security deposit of PKR 10,000 is required.
- Fall 2026 hostel check-in begins on November 15, 2026.
- Residents must return to the hostel by 10:30 PM unless written permission is approved.

Transport

University buses operate on six routes across Islamabad and Rawalpindi. The transport fee is PKR 22,000 per semester. Routes are finalized after registration based on demand. Students must display their university identity card when boarding a bus.

Library and laboratories

The central library is open from 8:00 AM to 8:00 PM Monday through Friday and from 9:00 AM to 4:00 PM on Saturday. Undergraduate students may borrow four books for fourteen days. Computer laboratories remain open until 7:00 PM on weekdays when supervised by laboratory staff.

Student support

The Student Support Office provides academic advising, counseling referrals, disability accommodations, and career guidance. Students requesting disability accommodations should contact the office before the semester begins so appropriate arrangements can be prepared.

5. Frequently Asked Questions

Can I edit my application after submitting it?

Applicants may edit their application until September 30, 2026. After the deadline, changes require written approval from the Admissions Office.

When will I receive my admission decision?

Admission decisions for Fall 2026 are emailed by October 20, 2026. Applicants should also check the admission portal for their status.

Can I apply for a hostel before admission?

No. The hostel application becomes available only after the applicant receives an admission offer.

How long does payment verification take?

The Finance Office normally verifies an uploaded payment receipt within two working days.

What happens if my attendance falls below 75 percent?

A student below the required attendance may be barred from the final examination for that course.

Where should technical problems be reported?

Portal and account problems should be emailed to helpdesk@northstar-example.edu. Students should include their application number, a short description, and a screenshot of the error.

Reminder	This handbook is fictional and intended only as sample data for a RAG learning project.
